## May Mission Month

### Love in remote places - Felicity South Asia - Living as Beautifiers

Felicity shares what love looks like for her in South Asia.

Continued on from last week.....

This April, I had the privilege of sharing an Easter message with some of the women I serve. I wanted to encourage them and help them recognise God's love and value for women. I can't contribute in any of these ways without prayer and financial support. Thank you for helping me in this work of bringing God's love to life every day, in every place"

Felicity brings years of experience volunteering as a midwifery consultant and community development worker. She contributes to the work of our teams in South Asia and Vietnam with her passion for making pregnancy and birth a safer experience for women and babies within their cultural setting.
